LPR
Takeback

The Process

All you have to do — our service for you.

LPR
Takeback

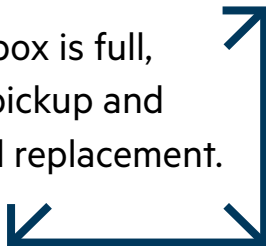

Register through
kyocera.takeback.eu
and order an empty
recycling box.

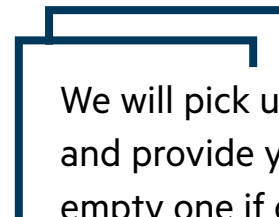

We will deliver a collection
box at no charge.

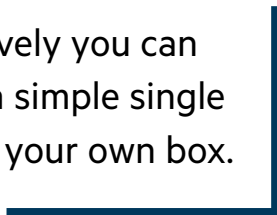

When the box is full,
request a pickup and
an optional replacement.

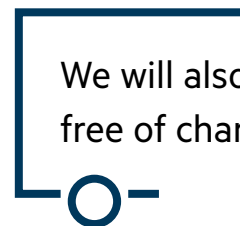

We will pick up the full box
and provide you with an
empty one if desired.

Alternatively you can
request a simple single
return of your own box.

We will also pick that up
free of charge.

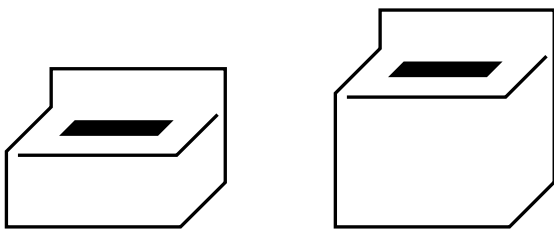

Your consumables then enter our system. Selected and specialised service providers supplement the main logistics services from pickup to interim storage and forwarding to the recycling plant.

The Boxes

Collection Box

We provide collection boxes at no charge to customers with regular consumption volumes.

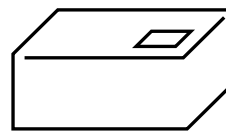

Box M
approx. 60 litres
30 × 60 × 40 cm
max. 20 kg
average 15 units

Box L
approx. 160 litres
70 × 60 × 40 cm
max. 20 kg
average 43 units

Single Returns

We also gladly accept single units from small-volume consumers. Download free package stickers at [kyocera.takeback.eu](https://www.kyocera.takeback.eu)

max. 60 × 30 × 15 cm
max. 1 kg

If possible, use the carton of your new KYOCERA product as the packaging. If this is not possible, use similar packaging.

Leave box at the nearest post office (DHL).
